Craig Roubos presents
his *charla*

The image shows a man, Craig Roubos, standing in front of a large projection screen in a lecture hall. He is wearing a dark shirt and a lanyard with a badge. He is holding a microphone to his mouth. The screen displays a presentation slide with the title "Evaluación de colores como atrayentes visuales para incrementar la captura de *Vitacea polistiformis* (Lepidoptera: Sesiidae), el perforador de la uva". The slide also features three small images of insects and the University of Florida logo. The audience is visible in the foreground, seated in rows of chairs.
